**Re: Docket No. 2013-239-C
Tempo Telecom, LLC Notification of Updated Lifeline Service Offering**

Dear Ms. Boyd:

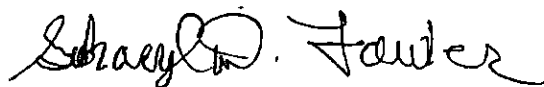

Tempo Telecom, LLC ("Tempo") respectfully notifies the South Carolina Public Service Commission ("Commission") that it has updated its Lifeline offering to comply with the *Lifeline Modernization Order* issued by the Federal Communications Commission ("FCC") on April 27, 2016. Specifically, Tempo offers the following Lifeline plan in South Carolina:

- Consumers enrolled in the Tempo Lifeline program receive a free monthly allotment of airtime voice minutes, text and data.
 - 250 minutes of use ("MOUs") that can be used for (1) nationwide voice calling or (2) nationwide texting with every 3 text messages sent or opened by the Tempo phone equaling 1 MOU
 - 500MBs of data
 - Voice/texting MOUs and data MBs renew in thirty (30) day increments and cannot be carried over to the next month
 - Ability to add additional MOUs or MBs
 - Free voicemail, call waiting, call forwarding, and caller ID
- Also, consistent with the FCC's requirements, consumers who are participants in one or more of the following programs may be eligible for Lifeline benefits:
 - Medicaid
 - Supplemental Nutrition Assistance Program (SNAP/Food Stamps/EBT)
 - Supplemental Security Income (SSI)
 - Federal Public Housing Assistance (Section 8)
 - Veteran's Pension and Survivor Benefit programs

Tempo will be updating its application forms and marketing materials to reflect these changes. Tempo continues to evaluate its Lifeline offerings, and reserves the right to further modify its Lifeline offerings based on changes in the FCC's requirements and/or the Lifeline marketplace.
